Chester's International Opens 7 New Locations in November

December 23, 2013 // [Franchising.com](#) // Birmingham, AL - Chester's International opened seven new locations in November, partnering with local retailers in Georgia, Michigan, Minnesota, Missouri, New Mexico, Pennsylvania and Texas. Also during the month of November, an existing Chester's location in Maine was remodeled.

Fans of Chester's delicious fried [chicken](#) can now satisfy their chicken cravings at the following new Chester's locations - Bald Eagle Truck Stop in McEhattan, PA; Ben's Supercenter in Mariette, MI; Garden City Chevron in Garden City, GA; Grand Market in Onamia, MN; Super Food Mart in Overton, TX; and Love's Travel Stop & Country Stores in Bloomsdale, MO and Clayton, NM.

"November has proved to be a busy month filled with many additions to the Chester's family. We are happy to welcome each and every new operator to our team and look forward to a strong finish to the fiscal year" said Jennifer Dodd, Senior Vice President of Operations at Chester's International, LLC.

Deliciously crispy on the outside, tender and flavorful on the inside, Chester's bone-in [chicken](#), tenders and boneless [wings](#) have been customer favorites for decades. Alongside the world famous chicken, Chester's newest locations serve a variety of Chester's signature side items including Chester's potato wedges, mashed potatoes and gravy, fried corn, macaroni & cheese as well as coleslaw. Chester's dipping sauces are always a great complement to menu items.

In addition to opening 7 new locations, customers will still find their favorite Chester's menu items at the recently remodeled Yellow Front Grocery in Danvers, ME. The new stores and newly remodeled location mark positive growth for the increasingly successful Chester's brand.

About Chester's

Chester's is a leader of quick serve [restaurant](#) (QSR) concepts with more than 2,000 Chester Fried licensed and Chester's franchised locations. Chester's offers high quality, great tasting products, flexible size and store layout options, [training](#) and support. Chester's uses only fresh chicken that is specially marinated and double-breaded using a proprietary family recipe and offers bone-in, tenders and potato wedges as well as sandwiches, [wraps](#), [salads](#), [breakfast](#) and sides.
