Hess Superstore adds Chester's fried chicken

Posted: January 12, 2015 - 9:05pm

SPECIAL TO THE LOG CABIN

Chester's, a quick-service fried chicken restaurant, recently opened a new location in Conway in partnership with Ali and Heba Hamad and their team at Hess Superstore.

"We are excited to have Chester's in our community. We are looking forward building a strong relationship together," said Heba Hamad owner of Hess Superstore.

Deliciously crispy on the outside, tender and flavorful on the inside, Chester's bone-in chicken, tenders and

boneless wings are customer favorites. Alongside the world famous chicken, Hess Superstore serves Chester's signature side items including Chester's Potato Wedges, Fried Corn, Cole Slaw, Green Beans, Mashed Potatoes & Gravy and Old Fashioned Biscuits. Chester's dipping sauces are a complement to the menu items.

Chester's uses fresh chicken specially marinated and double-breaded using a proprietary family recipe and offers bone-in, tenders and potato wedges as well as sandwiches, wraps, salads, breakfast and sides. For more information, please visit Chester's at: www.chestersinternational.com.

Customers can satisfy their Chester's cravings at Hess Superstore seven days a week, from 7 a.m. to 5 p.m.
