Love's Travel Stop Re-opens in Clayton, N.M.

November 07, 2013

Love's Travel Stops has opened a brand-new facility in Clayton, N.M., on Hw. 87. The raze and rebuild replaces the Love's that opened in Clayton in 1974.

The new Love's location offers additional items and services for professional drivers. The Clayton Love's includes 11 truck parking spaces, Chester's Chicken and Love's Subs restaurants and showers have been added. The location is open 24 hours a day, seven days a week.

Bulk DEF will be available at the pump at all diesel lanes along with RFID cardless fueling technology. Inside, the rebuilt Love's also features more space for accessories for professional drivers, making

way for a wider variety of items.

For a limited time, professional truck drivers can earn up to five points with their "My Love Rewards" loyalty cards during our Level Up promotion at all Love's locations.
